**Amendment and Response to Restriction Requirement**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In response to the Restriction Requirement dated May 28, 2003, Applicants elect claims 1-10 drawn to a method of manipulating. The restriction is traversed on the grounds that no undo burden would be placed on the examiner by examining all pending claims.

In addition, by this Amendment, claim 21 is added as a linking claim. As a result, it is respectfully submitted that the Restriction Requirement should be withdrawn and all claims 1-21 should be examined.
